

Viewing a TMP – Quick Guide

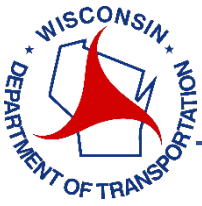

Use the following link to navigate to the WisTMP System¹ log-in screen. Use your WisTransportal user ID to log-in into the WisTMP system.

<http://transportal.cee.wisc.edu/tmp/>

The screenshot shows the homepage of the WisTransPortal System. At the top, it says "Wisconsin Traffic Operations and Safety Laboratory The WisTransPortal System". Below this, there is a navigation menu on the left with options like Home, Services, Products, Applications, Documents, Traffic Video, and Resources. The main content area features a "Wisconsin TMP System - Transportation Management Plans" header, a "RULE on WORK ZONE" graphic, and several links: "Wisconsin TMP System LIVE Site" (marked with a red '1'), "WisTMP User Manual and Documentation", "Wisconsin TMP System Training Site", "New User Account Request Form", and "WisTMP Contact Information".

After logging in, navigate to the SEARCH tab².

The screenshot shows the "Wisconsin Transportation Management Plan (WisTMP) System" search interface. At the top, there are navigation tabs: Home, Create, Search (marked with a red '2'), Admin, Help, Resources, and Contact. Below the tabs, there is a breadcrumb trail: "WisTransPortal > Applications > WisTMP > Search" and a user greeting: "Welcome, LakesideTony | Manage Account | Logout". The main section is titled "Search" and contains a form with various search criteria. On the left, there are checkboxes for "TMP Type" (Type 1, Type 2, Type 3, Type 4) and a "Status" dropdown menu. In the middle, there are checkboxes for "Restrict Results to:" (Local Program, NHS Route, OSOW Route, FHWA Oversight) and a "Region/County" dropdown menu. On the right, there are input fields for "TMP ID", "Design ID", and "Construction ID", along with "LET Begin Date" and "LET End Date" dropdown menus. At the bottom, there is a "Search" button, a "Reset" button, and a "Results Per Page" dropdown menu set to 10.

Viewing a TMP – Quick Guide

The search function has several options to help narrow down the search results. These basic parameters can all be used in conjunction with one another. Use one of the override parameters when searching for a specific TMP. Using one of these parameters ignores any options selected in the basic parameters. Once the options and parameters are entered, select the Search button³.

The search interface includes the following sections:

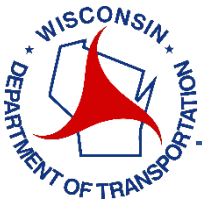

- * TMP Type:** Type 1, Type 2, Type 3, Type 4 (checkboxes)
- Status:** Active and App (dropdown)
- Delay Information:** All Delay Types (dropdown)
- Restrict Results to:** Local Program, NHS Route, OSOW Route, FHWA Oversight (checkboxes)
- Region/County:** ALL (dropdown)
- Highway:** (dropdown)
- LET Begin Date:** (text input)
- LET End Date:** (text input)
- Override Box (highlighted in blue):**
 - TMP ID (text input)
 - Design ID (text input)
 - Construction ID (text input)
 - * Parameters within this box will override everything else.
- Order By:** TMP ID (dropdown)
- Results Per Page:** 10 (dropdown)
- Buttons:** Search (with a red '3' next to it), Reset

Search results appear as follows with several options to alter the order and number of results displayed as well as what category to order the results by. Select the View button⁴ to view a TMP.

Search results summary:

- Order By:** TMP ID (dropdown)
- Results Per Page:** 10 (dropdown)
- Buttons:** Search, Reset, Download CSV
- Total records:** 31
- Page Navigation:** Prev, 1, 2, 3, 4, Next (Current page: 1)
